

AWS Partner Marketing Programs

Looking to take your AWS business to the next level? TD SYNEX's free marketing resources and partner enablement programs can help you refine your marketing strategy and grow your business.

Marketing Acceleration Program

The AWS Marketing Acceleration Program is an exclusive program for our top AWS partners to help drive demand to your business. We offer up to \$10,000 in Marketing Development Funds (MDF) for qualifying partners to use on marketing activities to promote AWS solutions and services. Click the button below to learn more and apply for the Marketing Acceleration Program.
